## APRIL'S NAVY CASH SAILOR OF THE MONTH

**LTJG Edward Arca, DISBO from the USS ANTIETAM (CG 54),** has been named Navy Cash Sailor of the Month for April 2011. His administrative skills and technical expertise with the Navy Cash program resulted in minimal system down time during a recent Navy Cash Technical Refresh period. The USS Antietam served as the pilot ship for Navy Cash Tech Refresh. LTJG Arca's active involvement helped identify all minor problems that arose during and after the equipment installation that included, but not limited to, equipment issues and various variances which were all addressed and resolved in a timely manner. His efforts greatly contributed to the complete success of Navy Cash pilot of Tech. Refresh hardware and software version 1.4.7. LTJG Arca enabled a complete roll out of the system to the Fleet. Great Job LTJG Arca!

## MAY'S NAVY CASH SAILOR OF THE MONTH

**ENS Canonigo, ASUPPO and Disbursing Officer aboard USS WHIDBEY ISLAND (LSD-41)**, has been selected Navy Cash Sailor of the Month for May 2011. His exceptional management of the Navy Cash system through hard work and attention to detail has resulted in superb management of negative balances. ENS Canonigo overcame a significant shipboard fire which interrupted all Navy Cash functions and the complete loss of all vending and Ship Store Operations. He diligently coordinated with Ship's force and numerous contractors to aid in WHIDBEY ISLAND's recovery and restore service to the crew by using alternate sources of power. He gradually gained partial use of the Ship's Store during structural and cable repairs and eventually restored all Navy Cash outlets and functions to 100% with the assistance of the Navy Cash support team. His flawless management and resourcefulness allowed him to maintain a challenging Navy cash system while providing outstanding customer support to his crew. Bravo Zulu !

## JUNE'S NAVY CASH SAILOR OF THE MONTH

**PS3 (SW) Daniel Preko of the USS CARL VINSON (CVN 70)** has been selected to be Navy Cash Sailor of the Month for June 2011. PS3 Preko flawlessly managed Navy Cash transactions and smoothly transitioned numerous shipboard personnel and air wing personnel into the Navy Cash program. As the divisional maintenance person, he is responsible for the weekly maintenance of K80 machines onboard and K22 card reader machines. He accounted for vendor sales and transactions during WESTPAC2010. He was instrumental in setting up merchants' accounts for vendors who came onboard during this period which made it possible for the sales division to contribute to Morale and Welfare Recreation funds. His attention to detail and turbo charged attitude resulted in timely submission of disbursing financial returns. For the USS Carl Vinson, PS3 Preko is the Navy Cash resident expert and his service is second to none!
