APRIL'S NAVY CASH SAILOR OF THE MONTH

LTJG Ramsey Lemaich of the USS JOHN PAUL JONES (DDG 53) is the Navy Cash sailor of the month for April 2013. LTJG Lemaich expertly sustained superior Navy Cash operations during the ship's six month shipyard availability period as well as planned and executed a flawless Navy Cash 1.4.7 upgrade while transitioning back to the ship. His tireless efforts and expert troubleshooting abilities displayed exceptional dedication to the JOHN PAUL JONES crew. During the maintenance period, he not only ensured a fully operational Navy Cash system but also coordinated the on-load and off-load of two vending machines to exponentially boost crew morale during the ship's availability period. This commitment to service allowed Retail Operations to donate to the MWR fund and an improved Navy Cash system after the refresh. His exemplary performance and proactive attitude have reflected greatly upon himself and the USS JOHN PAUL JONES, making him a most deserved recipient of the Navy Cash Sailor of the month.
