## JANUARY'S NAVY CASH SAILOR OF THE MONTH

**ENS Christopher Oliveria of the USS DUBUQUE (LPD 8)** manages and oversees the Navy Cash Program. He seamlessly provided outstanding customer service and support to Sailors and Marines during WESTPAC 2010. Over the course of the ship's deployment, he performed effectively as the Navy Cash Manager providing expert service in support of the Navy Cash System directly contributing to the increase in crew welfare and morale. He recognizes the critical relationship of high-quality service to the overall success of the Navy Cash Program by demonstrating a high level of commitment to accuracy and thoroughness in Records Management and Daily Navy Cash Maintenance. In April 2011, he will begin the process of shutting down Navy Cash onboard USS Dubuque, due to the ship's upcoming decommissioning. ENS Oliveria's expertise and knowledge is the cornerstone of DUBUQUE's Navy Cash Program success. His daily routine exemplifies great accomplishments; that makes him an outstanding Navy Cash Sailor for the month of January.

## FEBRUARY'S NAVY CASH SAILOR OF THE MONTH

**LTJG Bates of the USS Fort McHenry (LSD 43)** is a top professional and a master at the Navy Cash system and procedures. Her skills have been an irreplaceable asset to the sailors and U.S. Marines onboard the USS Fort McHenry. She is lauded among the Field Examination Group and her peers as being one of best Disbursing Officer's on the water front. She takes the utmost pride in her work which was easily seen during her most recent FEG audit resulting in an outstanding score. She puts customer service first ensuring that each and every sailor is taken care of. During the ships one year long mid-life availability she flawlessly coordinated and moved all related Navy Cash systems from the ship to the barge with minimal impact to the crew. LTJG Bates is most deserving of her recognition as Navy Cash Sailor of the month for February 2011.

## MARCH'S NAVY CASH SAILOR OF THE MONTH

**PS3 (SW) Christian Robert VonMaluski of the USS GEORGE WASHINGTON (CVN 73)** is the number one Disbursing Cashier. The USS GEORGE WASHINGTON (CVN 73) is currently forward deployed in Yokosuka, Japan. He handles all day-to-day transactions for his ship's crew and the CVW-5 Airwing. During the month of March the ship was ordered to leave its homeport in the middle of SRA amid the natural disaster in Japan with over 400 shipyard workers on board. Petty Officer VonMaluski played a major role in issuing visitor cards over a course of 2 days. He also maintains a current log of Navy Cash equipment, all K22 Devices and maintenance of five K80 machines. This happens to be his second command and he recently reenlisted for another 4 years this past February. It is our pleasure to name Petty Officer VonMaluski Navy Cash Sailor of the month for March 2011.

## Navy Hosts U.S. Treasury

On March 16, 2011, the Navy hosted U.S. Department of the Treasury representatives and financial managers from various federal government agencies on the WAYNE E. MEYER for a ship tour and demonstration of the Navy Cash Stored Value Card Program. The event followed a two-day conference sponsored by Treasury's Financial Management Service (FMS), San Francisco Regional Financial Center (RFC) and included approximately 45 members of its Customer Advisory Board (CAB). Coordination of the ship tour and Navy Cash demonstration was provided by Dora Lockwood, Commander, USN Director, Public Affairs Navy Region Southwest, Captain David R. Pimpo, Commanding Officer, Fleet & Industrial Supply Center (FISC), Andy Yager, Navy Cash Project Manager (FISC), and the Naval Supply Systems Command (NAVSUP).

The support and hospitality the CAB attendees received from the staff of the Navy Region Southwest Command, Fleet Industrial Support Center (FISC), and crew of the USS Wayne E. Meyer made for an unforgettable experience and was appreciated by all attendees!
