## OCTOBER'S NAVY CASH SAILOR OF THE MONTH

**ENS Eric Richey, USS MUSTIN (DDG 89)** is the Navy Cash sailor of the month for October 2012. ENS Richey managed to sustain Navy Cash services onboard during a DSRA period despite two migrations of the ship's LAN. His tireless efforts and troubleshooting shows his true dedication to the MUSTIN crew. Also during the maintenance period he coordinated for the removal of outdated machines and replaced them to provide better vending options. This commitment to service allowed the Sales Division to donate a considerable amount to the ship's MWR for fiscal year 2012 despite spending a quarter dry docked. His performance and attitude have reflected greatly upon himself and the USS MUSTIN, making him a most deserved recipient of the Navy Cash Sailor of the month.

## NOVEMBER'S NAVY CASH SAILOR OF THE MONTH

**ENS Bret Roberts, USS LAKE CHAMPLAIN (CG 57)**, has been selected as Navy Cash Sailor of the Month for November 2012. ENS Roberts has demonstrated leadership by example in his pursuit of excellence. He recently obtained an Outstanding on his Field Examination Group Disbursing Audit with a perfect score. Two months later his division obtained an outstanding score on the SMC. As the main Navy Cash manager onboard, he has kept Navy Cash fully operational with zero down days and high crew approval for the system. Furthermore, ENS Roberts went beyond inspection scores to prove his ability to support the crew by installing all new vending machines. ENS Roberts' ability to manage Navy Cash for the crew and maintain meticulous detail in his work, exemplify what it means to be a successful Supply Corps Officer.

## DECEMBER'S NAVY CASH SAILOR OF THE MONTH

**LTJG Carrissalina Block, Disbursing Officer, USS WINSTON CHURCHILL (DDG-81)**, has been named Navy Cash Sailor of The Month for December 2012. Her operation is outstanding and well-organized, as she sees the big picture and acts accordingly. While forward deployed and operating in the 5th Fleet AOR, she managed numerous Navy Cash accounts and Navy Cash transactions. Troubleshooting the Navy Cash system on several occasions allowed the crew to receive outstanding service. LTJG Block's technical knowledge and superb managerial skills enabled her to receive, complete and submit all reports for EOM closeout ahead of schedule with near to perfect accuracy. LTJG Block displays sound judgment, attention to detail, and strong management qualities which are evident in execution of all assigned duties. She is a credit to the Supply Corp and is most deserving of being selected for Sailor of the Month for an outstanding effort in managing Navy Cash for the benefit of her crew.

Navy Cash system troubleshooting guidance, functional and system training, supporting documentation, and 'how to' maintenance videos will be available on ships server/Intranet as part of NIAPS release 2.4.2.0. Much of this material is already available online at: <http://fms.treas.gov/navycash/index.htm>

Basic Navy Cash program training is available afloat in the Navy e-Learning (NeL) site. This interactive CBT can be found using catalog code: CSS-NCASH-010-1.1

Reminder - If your ship has not yet received tech refresh and you still have K22s, they contain lithium batteries which should be changed at least once a year. If you are not sure of a battery's age, then always change before deployment. If the lithium battery dies, any transactions held on the K22 will be lost. When in doubt - replace!
