Log On to TCIS

The URL for access to the application is https://tcis.fiscal.treasury.gov.

If you have more than one certificate, select your Authentication Certificate and **click Ok**

Type in your PKI Token PIN and **click ok**
Once you are signed on successfully, you will see the Welcome to the Treasury Check Information System (TCIS) homepage. The main menu is displayed on the left hand side. Click on “**Integrated View**” to start your check and/or ACH query.
Integrated View; Check Query

SCENARIO

Agancy Representative:

- Queries TCIS Integrated View using the Check/ACH Query Tab.

- Enters the 4-digit Check Symbol Number which is a number that uniquely identifies the disbursing office that issued the check.

- Enters the Check Serial Number which is a number up to 8 digits long assigned in a range to a disbursing office.

- Clicks on the Submit button.

Welcome to the Treasury Check Information System (TCIS)

Please enter a Check Symbol/Serial Number and click submit.

or

Please enter an ACH Trace Number and click submit.
The system will display the “Payment Details” of the check query.

Please note that the Specialized Functions displayed in the circled area shown above are based on your TCIS roles. For example if your role is FPA-Agency-IV you can inquire and view images on checks for the 8-digit Agency Location Codes (ALCs) listed for your agency. If your role is FPA-Agency-IV-UCC you can inquire and view images on checks for the 8 digit Agency Location Codes (ALCs) listed for your agency and have the ability to submit a stop code against a particular check symbol/serial number.
**SCENARIO**

The ACH Trace Number is known.

**Agency Representative:**

- Queries TCIS Integrated View using the **Check/ACH Query Tab**.
- Enters the 23-digit **Trace Number** consisting of:
  - The 8-digit **Original Payment Date**.
  - The 8-digit **Originating Regional Financial Center Routing and Transit Number**.
  - The 7-digit **Trace Sequence Number**.
- Clicks on the **Submit** button.
The system will display the “Payment Details” ACH Trace Number query.
SCENARIO

The Check or ACH Trace Number is not known.

Agency Representative:

- Queries TCIS Integrated View using the Payee ID Query Tab.
- Enters the Payee ID number.
- Enters the Date Range From Date. (MM/DD/YYYY)
- Enters the Date Range To Date. (MM/DD/YYYY)
  - Date range up to a 12-month period.
- Clicks on the Submit button.
The system will always default to the “Check/ACH Query tab. Click the Payee Query tab to bring up the Payee ID display page. Your date range can be requested up to twelve months or less.

Use the Payee Query when the Check Number or ACH Trace Number is not known.

The system will display the “Payment Listings” tab which list all the Checks and ACH Payments that fall in that date range. Click on a Check Number or ACH Trace Number to get the details of the payment selected.
Initiate a Request Stop Payment

Click on the **Initiate a Stop Request for an ACH Payment** link. Reason stop codes are different for ACH and Check Payments.

Select a Stop Reason Code; the drop box will display option **D – Entitlement Recertified After Status** or **E – Non-Entitlement – Deseased**.
The D- Entitlement Recertified After Status screen is displayed, the only required field is an **Agency Reference Number** click **Submit**.

The E- Non-Entitlement – Deceased is displayed, fill in the **Deceased Name, Date of Death** and **Agency Reference Number** click **Submit**.
Click on the **Initiate a Stop Request for an ACH Payment** link. Reson stop codes are different for ACH and Check Payments.

Select a Stop Reason Code; the drop box will display option **K – Photocopy** or **L – Certified Photocopy**.
The K – Photocoy screen is displayed, the only required field is an **Agency Reference Number** click **Submit**.

The L – Certified Photocoy screen is displayed, the only required field is an **Agency Reference Number** click **Submit**.
COURTESY DISBURSEMENTS
User enters the original *Check Number*

The *Courtesey Disbursement Check* number is underlined meaning you can click for more detail.
The **Courtesy Disbursement Check** is displayed.

Please note that the **Specialized Functions** displayed in the circled area are shown above are based on your TCIS roles. For example if your role is FPA-Agency-IV you can inquire and view images on checks for the 8-digit Agency Location Codes (ALCs) listed for your agency. If your role is FPA-Agency-IV-UCC you can inquire and view images on checks for the 8 digit Agency Location Codes (ALCs) listed for your agency and have the ability to submit a stop code against a particular check symbol/serial number.
PARTIAL OFFSETS – CHECK

SCENARIO

Why is my check less than I usually receive?

Agency Representative:

- Performs query to locate check payment using Payee ID Query.
- Selects a check payment from the Payment Listing.
- Selects Payment Details for check payment to identify an Offset Check.
User enters the original **Check Number** and click **Submit**

The **original Check** is displayed with the **Offset Check Number** listed with a link for further detail.
Click on the **Display Check Image** to see a copy of the offset check. If questioned by your customer, advise the customer to contact TOP (Treasury Offset Program) at 800-304-3107 option #2 or 205-912-6181.
**Partial Offsets - ACH**
