#### USSGL Crosswalk- Reclassified Statement of Operations and Changes in Net Position

#### Footnotes and Additional Information

1. For Reciprocal Category (RC) detail information, see TFM Volume 1, Part 2, Chapter 4700, Agency Reporting Requirements for the Financial Report of the United States Government, Appendix 7.

2. As defined in TFM, Volume I, Part 2, Chapter 4700, Agency Reporting Requirements for the Financial Report of the United States Government.

3. This account is associated with RC 24 rather than RC 29.

4. Seigniorage is defined as "Other Financing Sources" (see SFFAS No. 7, paragraph 305) and has a non-Federal attribute. A new line to accommodate seigniorage with an "N" attribute was not added to the "Other Financing Sources" line since seigniorage does not meet the Financial Report's materiality threshold. As a result, seigniorage was added to the "Other Taxes and Receipts" line instead.

5. Exclude General Fund of the U.S. Government activity in this account.

6. Budgetary portion only.

7. Non budgetary portion only.

8. This line now includes amounts previously captured in lines 7.10 and 7.11. If a new RC is established then the data can be segregated.

9. This line now includes amounts previously captured in lines 8.4 and 8.5. If a new RC is established then the data can be segregated.
