|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>A102</b>                 | To record an anticipated appropriation.                                                                                                                                                                                                                                                                      |
| <b>A103</b>                 | To record estimated reinstated orders - obligations, unpaid.                                                                                                                                                                                                                                                 |
| <b>A104</b>                 | To record the enactment of appropriations.                                                                                                                                                                                                                                                                   |
| <b>A105</b>                 | To provide budgetary resources to cover an upward adjustment of a prior-year obligation pursuant to a prior-year appropriation act.                                                                                                                                                                          |
| <b>A106</b>                 | To record anticipated net principal resources not yet apportioned and not available for obligation.                                                                                                                                                                                                          |
| <b>A107</b>                 | To record the recognition of Net Principal Payment received and reduce anticipated Net Principal Payments.                                                                                                                                                                                                   |
| <b>A108</b>                 | To record authority that was temporarily reduced and subsequently reclassified as a closing entry in the previous year.                                                                                                                                                                                      |
| <b>A109</b>                 | To record an anticipated temporary or permanent reduction derived from indefinite new budget authority.                                                                                                                                                                                                      |
| <b>A110</b>                 | To record in the gaining fund the reappropriation of authority from an expired losing fund to an unexpired gaining fund.                                                                                                                                                                                     |
| <b>A112</b>                 | To record in the losing fund the reappropriation of authority from an expired losing fund to an unexpired gaining fund.                                                                                                                                                                                      |
| <b>A114</b>                 | To record an anticipated appropriation expenditure transfer from a trust fund to a general fund.                                                                                                                                                                                                             |
| <b>A115</b>                 | To record anticipated reimbursements that will be used to substitute contract authority.                                                                                                                                                                                                                     |
| <b>A116</b>                 | To record budgetary authority apportioned by the Office of Management and Budget and available for allotment.                                                                                                                                                                                                |
| <b>A117</b>                 | To record anticipated spending authority from offsetting collection temporarily precluded from obligation.                                                                                                                                                                                                   |
| <b>A118</b>                 | To record anticipated resources apportioned but not available for obligation until they are realized for anticipated resources in programs subject to apportionment.                                                                                                                                         |
| <b>A119</b>                 | To record anticipated resources in programs exempt from apportionment.                                                                                                                                                                                                                                       |
| <b>A120</b>                 | To record the allotment of authority.                                                                                                                                                                                                                                                                        |
| <b>A121</b>                 | To record anticipated authority temporarily unavailable pursuant to public law.                                                                                                                                                                                                                              |
| <b>A123</b>                 | To record the realization of previously anticipated authority.                                                                                                                                                                                                                                               |
| <b>A124</b>                 | To withdraw recoveries of prior-year obligations and/or non-expenditure transfers derived from special or non-revolving trust fund receipts (made available from previously precluded amounts). This account should be used in Treasury accounts that have/had outstanding balances in USSGL account 439700. |

|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>A143</b>                 | To record anticipated capital transfers to a General Fund Receipt Account.                                                                                                                                                                                                                                              |
| <b>A144</b>                 | To record unexpended appropriations (derived by non-expenditure transfer - original source of transfer in is not USSGL account 310200 - Unexpended Appropriations - Transfers In) permanently reduced by legislative action in General Fund Treasury Appropriation Fund Symbols (TAFS).                                 |
| <b>A145</b>                 | To record offsetting collections or exercised borrowing authority permanently reduced and canceled by legislative action.                                                                                                                                                                                               |
| <b>A146</b>                 | To record subsidy disbursed by the program fund not previously accrued.                                                                                                                                                                                                                                                 |
| <b>A147</b>                 | To record in a miscellaneous General Fund receipt account an amount derived from a non-expenditure transfer that was permanently reduced in an associated Treasury Appropriations Fund Symbol (TAFS).                                                                                                                   |
| <b>A148</b>                 | To record decreases to indefinite borrowing authority.                                                                                                                                                                                                                                                                  |
| <b>A149</b>                 | To withdraw recoveries of anticipated prior-year obligations and/or nonexpenditure transfers derived from special or non-revolving trust fund receipts (made available from previously precluded amounts.) This account should be used in Treasury accounts that have/had outstanding balances in USSGL account 439700. |
| <b>A150</b>                 | To record anticipated budget authority (derived from special or trust fund receipts or the General Fund of the U.S. Government) temporarily precluded from obligation in a special or trust non-revolving fund expenditure account.                                                                                     |
| <b>A151</b>                 | To reclassify appropriations temporarily precluded from obligation from anticipated prior-year authority to realized prior-year authority.                                                                                                                                                                              |
| <b>A152</b>                 | To record indefinite or definite borrowing authority.                                                                                                                                                                                                                                                                   |
| <b>A153</b>                 | To record anticipated adjustments/decreases to withdraw recoveries originally obligated against indefinite contract authority.                                                                                                                                                                                          |
| <b>A154</b>                 | To record the withdrawal of recoveries originally obligated against indefinite contract authority.                                                                                                                                                                                                                      |
| <b>A155</b>                 | To record an appropriation to liquidate obligations initially incurred against the authority to borrow when the borrowing authority was not exercised.                                                                                                                                                                  |
| <b>A156</b>                 | To record the drawing of cash to fund borrowing authority from the Bureau of the Fiscal Service or the Federal Financing Bank. This includes non-credit reform borrowings to repay interest (capitalized loan interest.)                                                                                                |
| <b>A157</b>                 | To record a non-expenditure nonallocation transfer-in between two trust funds of an appropriation to liquidate contract authority, representing contract authority previously transferred.                                                                                                                              |
| <b>A158</b>                 | To record actual reductions to indefinite borrowing authority previously anticipated.                                                                                                                                                                                                                                   |
| <b>A159</b>                 | To record the amount of borrowing authority that was substituted with offsetting collections when the borrowing was not exercised.                                                                                                                                                                                      |

|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>A497</b>                 | To record in the receiving agency the actual transfer of obligated balances with prepaid/advance undelivered obligations. This transfer is an offset for the unfilled customer orders with an advance.                                                                                             |
| <b>A498</b>                 | To record a federal fund receivable for an expenditure transfer from a trust fund.                                                                                                                                                                                                                 |
| <b>A499</b>                 | To record the adjustment of a federal fund receivable for a previously established expenditure transfer receivable, where a corresponding temporary reduction or cancellation is to be recorded in a trust fund payable Treasury Appropriation Fund Symbol (TAFS).                                 |
| <b>A500</b>                 | To record in a trust fund a payable for an expenditure transfer-out to a federal fund relating to non-exchange transactions.                                                                                                                                                                       |
| <b>A501</b>                 | To record accrual of old IMF Quota Payments to General Fund Receipt Accounts.                                                                                                                                                                                                                      |
| <b>A502</b>                 | To record the actual federal fund collection resulting from an expenditure transfer from a trust fund, that was previously established as a receivable.                                                                                                                                            |
| <b>A503</b>                 | To record in the receiving agency the actual transfer-in of current-year or prior-year authority with unpaid expended authority and related accounts payable.                                                                                                                                      |
| <b>A504</b>                 | To record in a trust fund the outlay and reduction of the payable for an expenditure transfer-out to a federal fund.                                                                                                                                                                               |
| <b>A506</b>                 | To record in the receiving agency the actual non-expenditure transfer-in of current-year or prior-year authority with unpaid undelivered orders for General Fund appropriations.                                                                                                                   |
| <b>A508</b>                 | To record in the receiving agency the actual non-expenditure transfer-in of current-year or prior-year authority with unpaid undelivered orders for trust or special funds or obligations supported by spending authority from offsetting collections (collected).                                 |
| <b>A510</b>                 | To record in a trust fund expenditure transfers-in from a federal fund relating to non-exchange transactions.                                                                                                                                                                                      |
| <b>A511</b>                 | To record the refunds collected from prior fiscal year obligations that were outlayed in the Treasury Forfeiture Fund.                                                                                                                                                                             |
| <b>A512</b>                 | To record in a trust fund expenditure transfers-out to a federal fund relating to non-exchange transactions.                                                                                                                                                                                       |
| <b>A513</b>                 | To record the return of funds (i.e., derived from special fund receipts) received in a prior fiscal year from the Treasury Forfeiture Fund as an obligation and outlay in the current fiscal year.                                                                                                 |
| <b>A514</b>                 | To record in an agency's general fund an expenditure transfer-out to a trust fund or general fund (if directed by public law) relating to non-exchange and exchange transactions.                                                                                                                  |
| <b>A516</b>                 | To record a receivable for amounts appropriated from a specific invested Treasury Appropriation Fund Symbol (TAFS) to an agency expenditure account, prior to the non-expenditure (non-allocation) transfer of funds. This amount is specified in the agency's appropriation or authorization act. |
| <b>A518</b>                 | To record the adjustment in a non-allocation Treasury Appropriation Fund Symbol (TAFS) when the budget authority is temporarily reduced.                                                                                                                                                           |

For nonfiduciary deposit funds, omit Budgetary Entry.                                                                                                                                                                                                                                             |
| <b>B111</b>                 | To record the actual capital transfer to repay a negative modification adjustment transfer to the General Fund from a financing fund.                                                                                                                                                                                                                                                                 |
| <b>B112</b>                 | To record accrued interest paid.                                                                                                                                                                                                                                                                                                                                                                      |
| <b>B113</b>                 | To record capitalized loan interest paid on Federal Financing Bank (FFB) non-credit reform loans borrowed from Treasury.                                                                                                                                                                                                                                                                              |
| <b>B114</b>                 | To record disbursement for liens on collateral acquired from defaulted loans guaranteed after 1992.                                                                                                                                                                                                                                                                                                   |
| <b>B115</b>                 | To record a confirmed disbursement schedule where an upward adjustment of a prior-year unpaid delivered order was previously accrued.                                                                                                                                                                                                                                                                 |
| <b>B116</b>                 | To record disbursement without a lien on collateral acquired from defaulted loans guaranteed after 1992.                                                                                                                                                                                                                                                                                              |
| <b>B117</b>                 | To record the amount of interest a Lessee accrues during an accrual period, per the proprietary amortization schedule. The lessee should calculate the amortization of the discount on the lease liability and recognize that amount as interest expense for the period. (SFFAS 54, Par. 43) This transaction is only for leases determined to be "Capital Leases" for budgetary accounting purposes. |
| <b>B118</b>                 | To record a tax refund funded by directly reducing offsetting collections paid by the collecting agency.                                                                                                                                                                                                                                                                                              |
| <b>B119</b>                 | To record the actual capital transfer to repay a portion of a capital investment (usually an appropriation to a revolving fund).                                                                                                                                                                                                                                                                      |
| <b>B120</b>                 | To record principal repayments to the Bureau of the Fiscal Service and the Federal Financing Bank via non-expenditure transfers that were previously anticipated. For example, this transaction includes repayments of principal and repayments due to modifications of credit reform loans.                                                                                                          |
| <b>B121</b>                 | To record principal repayments at par value to the Bureau of the Fiscal Service and the Federal Financing Bank that were not previously anticipated. For example, this transaction includes repayments of principal, repayments due to modifications of credit reform loans, and repayments of capitalized loan interest from non-credit reform loans.                                                |
| <b>B122</b>                 | To record repayments of other debt.                                                                                                                                                                                                                                                                                                                                                                   |
| <b>B123</b>                 | To record in the issuing entity, the sale of federal securities at par value.                                                                                                                                                                                                                                                                                                                         |
| <b>B124</b>                 | To record the purchase of federal securities acquired at par value by a Treasury Appropriation Fund Symbol (TAFS) other than a nonfiduciary deposit fund.                                                                                                                                                                                                                                             |

| <b>B314</b>                 | To record a current-year undelivered order without an advance where the commitment is less than the undelivered order for commitments in programs subject to apportionment.                                                                                                                                                              |
| <b>B316</b>                 | To record a current-year undelivered order without an advance where the commitment is less than the undelivered order for commitments in programs exempt from apportionment.                                                                                                                                                             |
| <b>B402</b>                 | To record the delivery of goods or services and to accrue a liability.                                                                                                                                                                                                                                                                   |
| <b>B403</b>                 | To record accounts payable in a nonfiduciary deposit fund.                                                                                                                                                                                                                                                                               |
| <b>B404</b>                 | To record a downward adjustment of a current-year unpaid undelivered order.                                                                                                                                                                                                                                                              |
| <b>B405</b>                 | To record accounts payable in a nonfiduciary deposit fund for administrative fees paid to another federal entity. This transaction is recorded only when an agency has the authority to charge an administrative fee to be paid by a nonfiduciary deposit fund.                                                                          |
| <b>B406</b>                 | To record the delivery of goods and services in the same year the order was placed and to accrue a liability. The current-year expended authority is more than the original obligation.                                                                                                                                                  |
| <b>B407</b>                 | To record a contra expense in a nonfiduciary deposit fund for administrative fees paid to another federal entity. This transaction is recorded only when an agency has the authority to charge an administrative fee to be paid by a nonfiduciary deposit fund.                                                                          |
| <b>B408</b>                 | To reclassify payable schedules for disbursements to "in-transit" until the payment schedule is confirmed.                                                                                                                                                                                                                               |
| <b>B410</b>                 | To record advances and prepayments "in transit" until disbursements are confirmed.                                                                                                                                                                                                                                                       |
| <b>B412</b>                 | To record an obligation and accounts payable in an unexpired appropriation for a valid bill related to a canceled appropriation.                                                                                                                                                                                                         |
| <b>B413</b>                 | To record accrued liabilities and expenses where there is not an underlying legally binding obligation that would require a budgetary entry, or this transaction can be used in a situation where a proprietary accrual entry is deemed necessary, but the goods or services have not been received.                                     |
| <b>B414</b>                 | To record accrued liabilities and expenses that have been advanced or prepaid, where there is not an underlying legally binding obligation that would require a budgetary entry, or this transaction can be used in a situation where a proprietary accrual entry is deemed necessary, but the goods or services have not been received. |
| <b>B416</b>                 | To record the collecting agency's estimated accrued tax refunds payable and related interest funded by a direct appropriation.                                                                                                                                                                                                           |

|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>C458</b>                 | To record receipt of previously accrued daily deflation on Treasury Inflation Protected Securities to non-revolving trust funds and special funds, in which the receipt is not immediately available for obligation upon collection. |
| <b>C460</b>                 | To record a Lessor's recognition of earned revenue from the measurement of the lease receivable for the reporting period, per SFFAS 60, Par. 26.                                                                                     |
| <b>C600</b>                 | To record the sale of non-federal securities (long-term bonds) by the Exchange Stabilization Fund at a premium                                                                                                                       |
| <b>C601</b>                 | To record the sale of non-federal securities (long-term bonds) by the Exchange Stabilization Fund at a discount.                                                                                                                     |
| <b>C602</b>                 | To record the sale of federal securities purchased at a premium and sold at a premium by a Treasury Appropriation Fund Symbol (TAFS) other than a nonfiduciary deposit fund. The sale may result in a gain or a loss.                |
| <b>C603</b>                 | To record the redemption of federal securities purchased at a premium and sold at a premium by a nonfiduciary deposit fund when the redemption results in a gain.                                                                    |
| <b>C604</b>                 | To record the sale of federal securities purchased at a premium and sold at a discount by a Treasury Appropriation Fund Symbol (TAFS) other than a nonfiduciary deposit fund. The sale results in a loss.                            |
| <b>C605</b>                 | To record the redemption of federal securities purchased at a premium and sold at a discount by a nonfiduciary deposit fund prior to maturity when the sale results in a loss.                                                       |
| <b>C606</b>                 | To record the sale of federal securities purchased at a discount and sold at a premium by a Treasury Appropriation Fund Symbol (TAFS) other than a nonfiduciary deposit fund. The sale results in a gain.                            |
| <b>C607</b>                 | To record the redemption of federal securities purchased at a discount and sold at a premium by a nonfiduciary deposit fund when the redemption results in a gain.                                                                   |
| <b>C608</b>                 | To record the sale of federal securities purchased at a discount and sold at a discount by a Treasury Appropriation Fund Symbol (TAFS) other than a nonfiduciary deposit fund. The sale may result in a gain or a loss.              |
| <b>C609</b>                 | To record amounts owed to a federal Government Sponsored Enterprise (GSE) for excess of the GSE's liabilities over its assets.                                                                                                       |
| <b>C610</b>                 | To record the sale or disposition of personal property collected for replacement property.                                                                                                                                           |
| <b>C611</b>                 | To record the redemption of federal securities purchased at a discount and sold at a discount by a nonfiduciary deposit fund when the redemption results in a loss.                                                                  |
| <b>C612</b>                 | To record the loss (or gain) from sale of foreclosed property without recourse.                                                                                                                                                      |
| <b>C613</b>                 | To record general property, plant and equipment permanently removed or partially impaired, but not yet disposed.                                                                                                                     |
| <b>C614</b>                 | To record the gain on property sold with recourse.                                                                                                                                                                                   |

| <b>TRANSACTION<br/>CODE</b> | <b>TRANSACTION DESCRIPTION</b>                                                                                                                                                                                                      |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>C615</b>                 | To record the disposition of general property, plant and equipment that was permanently removed.                                                                                                                                    |
| <b>C616</b>                 | To record the loss on loan receivable from the borrower on a sale with recourse.                                                                                                                                                    |
| <b>C618</b>                 | To record the sale prior to maturity of investments in U.S. Treasury Zero Coupon Bonds issued by the Bureau of the Fiscal Service to a Treasury Appropriation Fund Symbol (TAFS) other than a nonfiduciary deposit fund.            |
| <b>C619</b>                 | To record the redemption of federal securities purchased at a premium and sold at a premium by a nonfiduciary deposit fund prior to maturity when the redemption results in a loss.                                                 |
| <b>C621</b>                 | To record the redemption of federal securities purchased at a discount and sold at a discount by a nonfiduciary deposit fund when the redemption results in a gain.                                                                 |
| <b>C622</b>                 | To record the sale prior to maturity of investments in securities (other than those issued by the Bureau of the Fiscal Service) purchased at a discount and sold for a gain or loss by the special or non-revolving trust fund.     |
| <b>C624</b>                 | To record the sale prior to maturity of investments in securities (other than those issued by the Bureau of the Fiscal Service) purchased at par or premium and sold for a gain or loss by the special or non-revolving trust fund. |
| <b>C626</b>                 | To record cash collected from a loss or a gain from the sale of excess, obsolete, and unserviceable assets.                                                                                                                         |
| <b>C628</b>                 | To record cash collected from a loss or a gain from the sale of foreclosed property.                                                                                                                                                |
| <b>C630</b>                 | To record the sale of stockpile materials authorized to be sold. The sale may result in a gain or a loss.                                                                                                                           |
| <b>C636</b>                 | To record the collection of sale proceeds from forfeited personal property sold.                                                                                                                                                    |
| <b>C638</b>                 | To record the sale of forfeited property.                                                                                                                                                                                           |
| <b>C640</b>                 | To record the proceeds from commodities sold.                                                                                                                                                                                       |
| <b>C642</b>                 | To record a loss on the sale of commodities.                                                                                                                                                                                        |
| <b>C644</b>                 | To record a receivable from a non-federal entity for the sale or disposition of assets other than personal properties and investments.                                                                                              |
| <b>C646</b>                 | To record the sale or disposition of assets other than personal properties and investments.                                                                                                                                         |
| <b>C647</b>                 | To record the liquidation of receivables from other federal entity for the sale or disposition of assets other personal properties and investments.                                                                                 |
| <b>C648</b>                 | To record a receivable from another federal entity for the sale or disposition of assets other than personal properties and investments.                                                                                            |
| <b>C650</b>                 | To record accounts receivable and accrue revenue from another federal entity that was previously anticipated.                                                                                                                       |

|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>C702</b>                 | To record the sale of securities, accounted for under the provisions of the Federal Credit Reform Act, purchased at a premium. The sale results in a gain.                                                                                                                                                              |
| <b>C704</b>                 | To record the sale of securities, accounted for under the provisions of the Federal Credit Reform Act, purchased at a premium. The sale results in a loss.                                                                                                                                                              |
| <b>C706</b>                 | To record the sale of securities, accounted for under the provisions of the Federal Credit Reform Act, purchased at a discount. The sale results in a gain.                                                                                                                                                             |
| <b>C708</b>                 | To record the sale of securities, accounted for under the provisions of the Federal Credit Reform Act, purchased at a discount. The sale results in a loss.                                                                                                                                                             |
| <b>C731</b>                 | To record a lessee's full or partial lease termination by reducing the carrying values of the right-to-use lease asset/lease liability and recognizing a respective gain/loss for any differences.                                                                                                                      |
| <b>C732</b>                 | To record a lessee's lease modification, when an amendment resulting in the modification is NOT reported as a separate lease, by remeasuring the lease liability and adjusting the lease asset. If the change reduces the carrying value of the lease asset to zero, any remaining amount should be reported as a gain. |
| <b>C733</b>                 | To record a lessor's full or partial lease termination by reducing the carrying values of the lease receivable and unearned revenue, and recognizing a respective gain/loss for any differences.                                                                                                                        |
| <b>C750</b>                 | To record, in a special or non-revolving trust fund, a redemption of securities (other than those issued by the Bureau of the Fiscal Service) purchased at par and sold without a gain or loss where funds remain in a non-Treasury General Account (TGA).                                                              |
| <b>C751</b>                 | To record, in a revolving or revolving trust fund, a redemption of securities (other than those issued by the Bureau of the Fiscal Service) purchased at par and sold without a gain or loss where funds remain in a non-Treasury General Account (TGA).                                                                |
| <b>C752</b>                 | To record, in a special or non-revolving trust fund, the sale prior to maturity of investments in securities (other than those issued by the Bureau of the Fiscal Service) purchased at par and sold for a gain. Funds remain held by the public in a non-Treasury General Account (TGA).                               |
| <b>C753</b>                 | To record, in a revolving or revolving trust fund, the sale prior to maturity of investments in securities (other than those issued by the Bureau of the Fiscal Service) purchased at par and sold for a gain. Funds remain held by the public in a non-Treasury General Account (TGA).                                 |
| <b>C754</b>                 | To record, in a special or non-revolving trust fund, the sale prior to maturity of investments in securities (other than those issued by the Bureau of the Fiscal Service) purchased at par and sold for a loss. Funds remain held by the public in a non-Treasury General Account (TGA).                               |
| <b>C755</b>                 | To record, in a revolving or revolving trust fund, the sale prior to maturity of investments in securities (other than those issued by the Bureau of the Fiscal Service) purchased at par and sold for a loss. Funds remain held by the public in a non-Treasury General Account (TGA).                                 |

| <b>D306</b>                 | To record a prior-period adjustment that reduces the value of a prior-year asset.                                                                                                                                            |
| <b>D308</b>                 | To record a prior-period adjustment that reduces the value of a liability.                                                                                                                                                   |
| <b>D310</b>                 | To record a prior-period adjustment that increases the value of a prior-year asset.                                                                                                                                          |
| <b>D312</b>                 | To record a prior-period adjustment that increases the value of a prior-year liability.                                                                                                                                      |
| <b>D402</b>                 | To record an allowance for a reduction in exchange revenue due to noncredit losses such as returns, allowances, and price redeterminations from non-federal sources when realization is not probable (less likely than not). |
| <b>D404</b>                 | To record the estimated allowance for bad debts related to non-credit-reform receivables.                                                                                                                                    |
| <b>D405</b>                 | To record the estimated allowance for bad debts related to non-credit-reform receivables in a nonfiduciary deposit fund. Deposit funds do not recognize net gains or losses.                                                 |
| <b>D406</b>                 | To record the write-off of penalties and fines receivable.                                                                                                                                                                   |
| <b>D407</b>                 | To record the write-off of administrative fees receivable.                                                                                                                                                                   |
| <b>D408</b>                 | To record the write-off of accounts receivable.                                                                                                                                                                              |
| <b>D410</b>                 | To record the write-off of taxes receivable.                                                                                                                                                                                 |
| <b>D412</b>                 | To record the write-off of loans receivable for loans made before fiscal 1992.                                                                                                                                               |
| <b>D413</b>                 | To write-off loans receivable related to Troubled Assets Relief Program.                                                                                                                                                     |
| <b>D414</b>                 | To record the write-off of loans receivable and interest receivable for credit reform loans made after fiscal 1991.                                                                                                          |
| <b>D415</b>                 | To record the write-off of interest receivable related to Troubled Asset Relief Program.                                                                                                                                     |
| <b>D416</b>                 | To record the write-off of interest receivable.                                                                                                                                                                              |
| <b>D418</b>                 | To record the write-off of assets other than investments.                                                                                                                                                                    |
| <b>D420</b>                 | To record the accrued estimated uncollectible exchange revenue due to credit losses with related costs incurred and collected for others in a General Fund Receipt Account.                                                  |
| <b>D422</b>                 | To record the reduction of custodial liability by the amount of estimated uncollectible exchange revenue with virtually no costs collected for others in a General Fund Receipt Account.                                     |

|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>F110</b>                 | To record the removal of unfilled customer orders with advance and to return advance in excess of obligations in the same year.                                                                                                                                                                                            |
| <b>F111</b>                 | To record in the ordering fund the reduction to undelivered orders so that the balance equals obligations in the performing fund for the related unfilled customer orders.                                                                                                                                                 |
| <b>F112</b>                 | To record adjustments for anticipated resources not realized.                                                                                                                                                                                                                                                              |
| <b>F113</b>                 | To record the reduction of unobligated balances for indefinite contract or indefinite borrowing authority at year-end.                                                                                                                                                                                                     |
| <b>F114</b>                 | To record adjustments for anticipated reductions not realized.                                                                                                                                                                                                                                                             |
| <b>F116</b>                 | To record adjustments for resources realized in excess of those anticipated.                                                                                                                                                                                                                                               |
| <b>F118</b>                 | To record adjustments for reductions to resources in excess of those anticipated.                                                                                                                                                                                                                                          |
| <b>F119</b>                 | To record the amount of appropriation (derived from the General Fund of the U.S. Government) or offsetting collections previously sequestered in the unexpired phase but unavailable for obligation in the subsequent fiscal year that must be made available for cancellation.                                            |
| <b>F120</b>                 | To record the cancellation of expired authority and withdraw funds.                                                                                                                                                                                                                                                        |
| <b>F121</b>                 | To record the amount of unobligated appropriated receipts in a trust or special fund expenditure account that is canceled and returned to the originating invested trust of special fund from which the amount was originally derived. The amounts are to be returned via SF 1151: Non expenditure Transfer Authorization. |
| <b>F122</b>                 | To record the cancellation of authority not previously expired and to withdraw funds.                                                                                                                                                                                                                                      |
| <b>F123</b>                 | To record the amount of unobligated appropriated receipts in a trust or special fund expenditure account represented as a receivable from or payable in an invested trust of special fund that is canceled. There is no movement of fund balance.                                                                          |
| <b>F124</b>                 | To record the closing of General Fund Receipt Accounts associated with fund balance at year-end.                                                                                                                                                                                                                           |
| <b>F125</b>                 | To record the closing of General Fund Receipt Accounts associated with USSGL account 750000 at year-end.                                                                                                                                                                                                                   |
| <b>F126</b>                 | To record an adjustment to authority temporarily unavailable for Treasury Appropriation Fund Symbols that do not have a Schedule N (Schedule on Unavailable Collections) in the President's Budget and do not report authority precluded from obligation on the Program and Financing Schedule P.                          |
| <b>F127</b>                 | To record a decrease against the indefinite prior year appropriation derived from General Fund of the U.S. Government when a warrant is received.                                                                                                                                                                          |
| <b>F128</b>                 | To record the cancellation of a valid obligation and account payable in the "canceling appropriation."                                                                                                                                                                                                                     |
