ASAP.gov Benefits & Features

✓ Maintaining Control

Agency funds remain within Treasury control until transferred securely, reducing the cost and liability of having funds held outside of the US Treasury.

✓ Saves Time

Recipients request payments from funded ASAP accounts directly, saving time for both federal agencies and recipients.

✓ Quick Payments

Immediate, same day and next day paperless payment options for quick deposits.

✓ Minimizes Checks

Recipients can return payments online or submit book entry adjustments.

✓ Live Customer Support

Recipients and agencies can request live assistance with our Production Support Team.

✓ Convenient Reporting

Lets both federal agencies and recipients retrieve reports of relevant data including account balances, history and status of payments, and more.

✓ Easy Intuitive Platform

Works without needing to install any new software.

✓ Saves Money

No costs for federal agency and recipient organization users.

Authorizations and Payments

The Automated Standard Application for Payments allows organizations receiving federal funds to draw monies securely from pre-authorized accounts established by the federal agency.

Payment Request Process Overview

A. Recipient logs into ASAP.gov and initiates a payment request via the following payment methods:

- Immediate Fedwire.
- Same Day ACH.
- Next Business Day ACH.

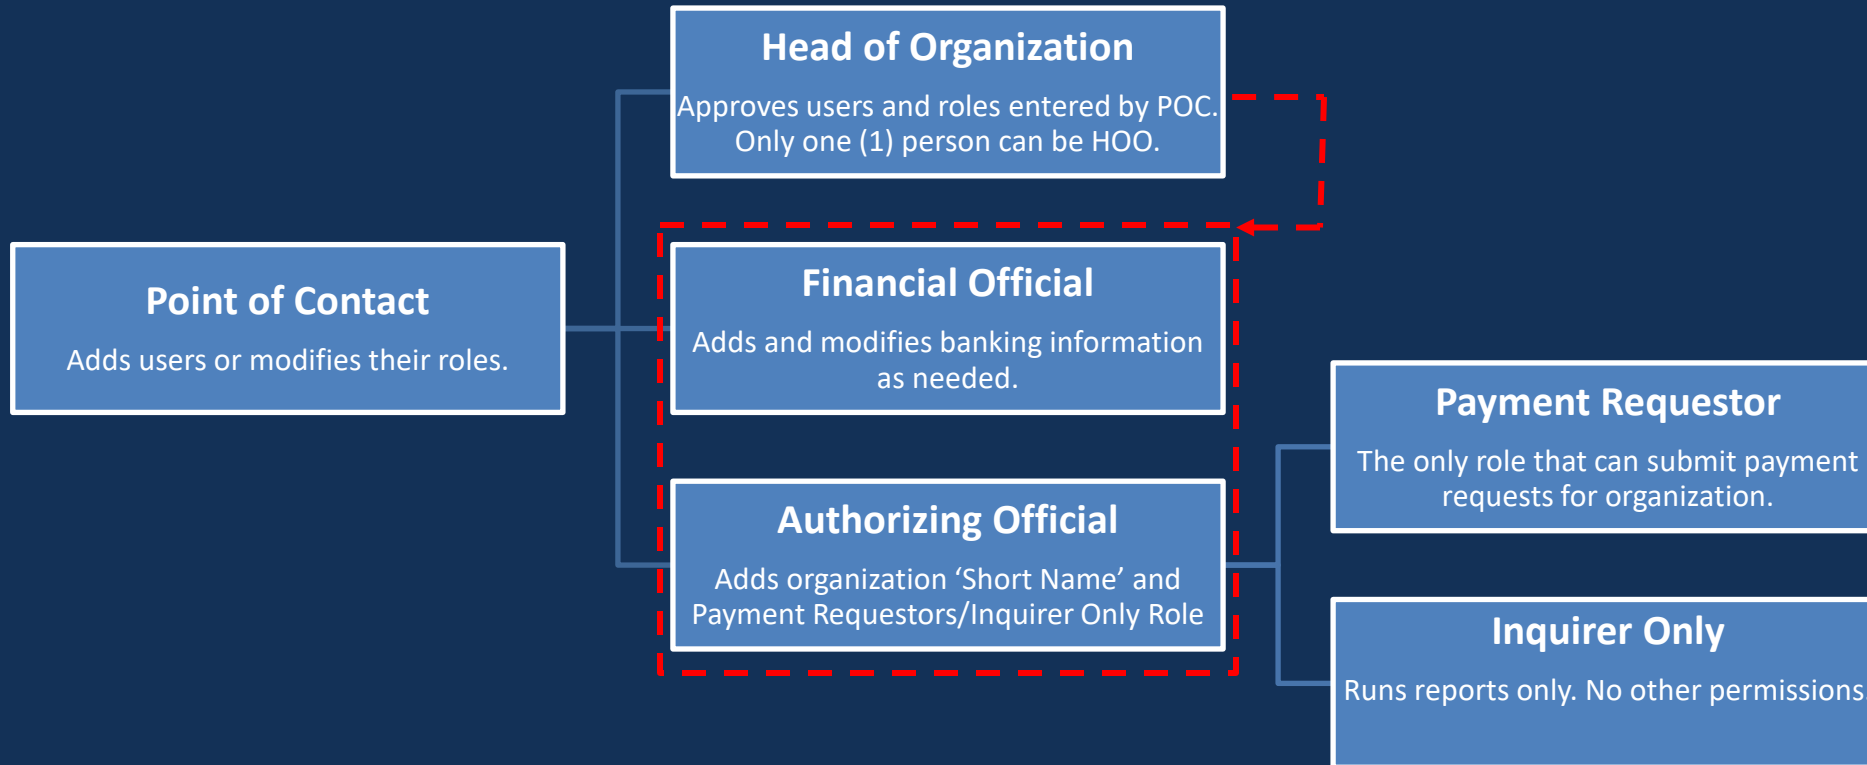

B. Agency reviews payment request (*optional step*).

- The request will remain “pending” until approved or rejected by the Agency.

C. ASAP sends money to your financial institution to be deposited.

User Roles & Descriptions Review

Step 1 of 5 | Initiate Payment Request

1. From the ASAP.gov home page, hover your mouse over the Payment Request menu tab.
2. Click on "Initiate Payment Request (PR)" from the drop-down menu.

Step 2 of 5 | Set Payment Preferences

1. For Select a Bank Relationship – Select one of your existing bank accounts.

2. For Payment Request Type –

Payment Requestors can consolidate multiple Fedwire payment requests into a single transaction. This summary payment feature is available exclusively for Fedwire transactions.

3. For Payment Method –

- Select ACH:
 - *Same Day ACH payment requests must be submitted before 3:30 PM Eastern to be settled on the same day. Additionally, same Day ACH payments are limited to \$1,000,000 per ASAP account.*
 - *Next Day ACH payment requests must be submitted before 11:00 PM Eastern for next-day settlement.*
- Select Fedwire for an immediate payment.
 - Fedwire payment requests must be submitted before **5:45 PM Eastern**.

4. For Requested Settlement Date – Enter date you would like funds to settle in your bank account.

5. For Requestor Reference Number – An optional field to uniquely identify a payment request.

6. For Payment Justification* – Payment justification is mandatory, so it is required for each payment.

We recommend manually typing the justification in this field instead of copy/pasting to prevent any disruptions.

Payment Justification Requirement

- Effective Monday, May 19, 2025, all payment requests submitted in ASAP.gov require a justification.
- This requirement is related to a Presidential Executive Order that requires a brief, written justification for all payments.
- This field is mandatory and will be required in the first step of the payment request process.
- This new field will allow you to submit a justification that is no longer than 300 characters.
 - Special characters are not accepted. The following is a list of characters that are allowed:
: _ ` ~ ! @ # \$ ^ () - + { } [] | ; : , . ?
- If you have multiple payment justifications, please enter the requests separately.
- Consult the agency that funds your account if you have questions about what to include in the payment justification field.
- Visit our website [here](#) for additional information.

Step 3 of 5 | Retrieve Accounts

To retrieve all OPEN ASAP Accounts:

1. Leave ALC/Region to the default "ALL"
2. Leave Account ID **blank**.
3. Click Continue.

Step 1 of 4 (Continued)
Retrieve Accounts

Recipient ID :
ALC / Region : --ALL--
Account ID (or partial) :

Step 4 of 5 | Enter Payment Details

1. Enter an amount in the 'Amount Requested' field.

- Ensure Account Status is open and funds requested do not exceed available balance.

Account ID	Account Status	Requestor Reference Number	Available Balance	Amount Requested	Remittance Data
	Open		\$0.00	\$	+
	Liquidated		\$1,010.00	\$	+
	Open		\$0.00	\$	+
	Open		\$989,289.94	\$ 1,000.00	+

Buttons: Continue, Sort, Cancel, Help for this Step

- The Account IDs provided are hyperlinks which, if selected, will provide Account Profile information. This is useful in determining if 'agency review' is enabled, as well as any maximum draw limits for the account.
- Information entered into the [Requestor Reference Number] field is sent along with the payment to your financial institution.

Step 5 of 5 | Review Payment Details

- 1. Review your payment request.** If necessary, make any necessary corrections. Then select 'submit.' After submitting, you will see a confirmation of your payment request with the option to print the confirmation for your records.
- 2. Notice the Payment Request Status on the Payment Transaction Confirmation screen**

TIP | No Accounts Found Error Message

Why do I see **Error 839:**
No accounts found matching criteria?

The screenshot shows a web form titled "Step 1 of 4 (Continued) Retrieve Accounts". Below the title, a red error message reads: "ERROR 839: No accounts found matching criteria. Enter one or more of the following". There are three input fields: "Recipient ID :", "ALC / Region :", and "Account ID (or partial) :". The "Account ID (or partial) :" field is highlighted with a red border. At the bottom of the form, there are two buttons: "Continue" and "Help for this Step".

- First, if you attempted to enter an Account ID, leave this field blank and try to resubmit your request.
If you still get this error, then:
 - Run the **Recipient Enrollment Status Inquiry** under the "Inquires" menu to confirm:
 - Your organization has completed its enrollment.
 - The banking information is active.
 - Run the **Account Profile Inquiry** under the 'Inquires' menu to verify:
 - Account Status is 'Open' and Begin Date for the account has arrived. If suspended or closed, please contact your funding federal agency directly for assistance.
 - If the inquiry returns no results, your agency hasn't created your ASAP Account yet. Please contact your funding federal agency.

TIP | Menu Bar Error Message

- If you see this message:
 - Instead of clicking on the menu bar, please let your mouse hover over the menu options.
- The options that appear under each menu bar are determined by your roles.
 - For example, only a user with the Payment Requestor role will have access to the Payment Requests menu.

How to Modify or Cancel a Payment Request

- Payment Requests can be modified or deleted after being submitted so long as the payment request is still **'Pending.'**
- If the Payment Request has already been submitted for processing, any changes will need to be made via the Return ACH Payment option.

Return ACH Payment Process

*****Before using this function, please verify that your bank allows automated debits against your bank account*****

1. First, run the Payment Request Status Inquiry under the "Inquires" tab to obtain the ACH Trace Number for the payment you are wanting to return.
2. Then, hover over "Payment Request" Tab.
3. Select Return ACH Payment.

Note: Only a Payment Requester can complete this task.

Inquires/Reports Continued

- ❑ **Account Profile Inquiry** is where you can get your ASAP account settings to see if your account is open, suspended, liquidated, or closed. If your ASAP account is suspended or closed, you will need to contact your funding agency directly. This Inquiry will also show whether “Agency Review” is enabled for payment requests, and any maximum draw amounts that are set and cumulative authorizations.
- ❑ **Account Balance Inquiry** is where you can get a list of your ASAP accounts. This inquiry will show cumulative draws, authorizations, and current available balances for ASAP accounts.
- ❑ **Payment Request Status Inquiry** is useful to view the history of your payment requests and payment justifications and obtaining “ACH Trace Number” required to initiate a Return ACH.
- ❑ **Account Statement Inquiry** is where you can view history of transactions for an ASAP account. This inquiry will show a list of transactions of various types (authorizations, payments, book entry adjustments, and the like) for a particular account ID and the account balance.
- ❑ **Account Settlement Report** will show you the complete history of ASAP account transactions.
- ❑ **Accounts with End Dates Report** is where you can get a list of ASAP accounts with a specified end date. This is the date the ASAP account is automatically suspended. Payment requests are not allowed on suspended ASAP accounts.

Login Process via ID.me

- Recipient organization users are required to register, enable multi-factor authentication (MFA), and validate their identity with ID.me to support Presidential, OMB and Treasury requirements.
- Here are the login options for ASAP.gov:

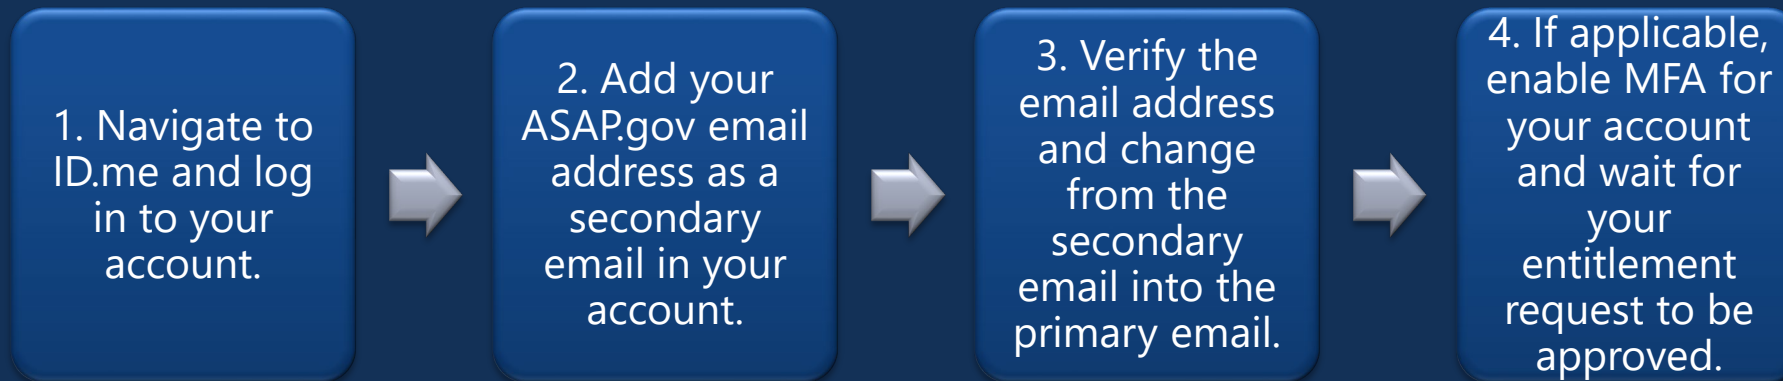

Note: The PIV/CAC option is reserved for Federal Agency users exclusively.

Login Process via ID.me Continued

If you **DO NOT** have an existing ID.me account:

If you have an existing ID.me account:

Initial Login Process for Existing ID.me Users

If you already have an ID.me account:

1. Go to the **ID.me sign-in page**
2. Follow the prompts to sign in to your ID.me Wallet.
3. From "My Wallet," select **Profile**.
4. Select **Add an email**.
5. Enter your work email address, then under "Email Type", check "Work".
6. Select **Send confirmation**. A confirmation message will be sent to your new email.
7. Open the confirmation email and select **Confirm your email**.

Detailed instructions are located here: [Add a work or business email to your ID.me Wallet – ID.me Help Center](#)

A screenshot of the ID.me sign-in interface. At the top, it says "Sign in to ID.me". Below that is a section labeled "Email" with a text input field containing the placeholder "Enter email address". Under the input field is a checkbox labeled "Remember me". A large blue button labeled "Continue" is positioned below the checkbox. At the bottom of the main form area, there is a link that says "New to ID.me? [Create a wallet](#)". Below this, in a separate light gray box, is a message: "Social media sign-in is no longer available. Please sign in with your email."

Initial Login Process for Existing ID.me Users

8. Sign back into your ID.me Wallet and select **Manage Profile**.
9. Under "Email", find the email you'd like to set as primary.
10. Select the **three dots** next to the email and select **Set as primary**.

To add MFA to your login:

1. Click the drop-down menu next to your name to select "My Account". Next, click the "Sign In & Security" tab.
2. Select "Security". There, you will be shown the various MFA options.
3. Select "Set up" to add a new MFA method and follow the steps to enable that MFA method.

Initial Login Process for New Users Cont'd

If you do not already have an ID.me account:

1. From the ASAP.gov landing page, select 'Sign In with ID.me' and then 'Create an ID.me account.'
2. **Enter the email associated with your ASAP account**, a password, accept the Terms of Service/Privacy Policy, then select "Create account."
3. Follow all the steps in ID.me to create your account and validate your identity.
 - This includes setting up multifactor authentication, uploading identity documents, as well as taking a selfie to verify your identity.

If you have any issues setting up your ID.me account, select "Help Center" at the top right of your ID.me account.

The screenshot shows the ID.me sign-in interface. At the top is the ID.me logo. Below it is the heading "Sign in to ID.me". A light blue banner contains the text "New to ID.me?" and a blue link "Create an ID.me account", which is highlighted by a red arrow. Below the banner are two input fields: "Email" with the placeholder "Enter your email address" and "Password" with the placeholder "Enter password". At the bottom is a blue "Sign in" button.

Entitlement Requests for New Users

- Once you have successfully registered, enabled multi-factor authentication, and validated your identity for your ID.me account, you will either be immediately directed to ASAP.gov

OR

- You will receive a message that “an entitlement request has been submitted” (see screenshot below) and you will need to wait for an ASAP team member to approve your request before you can log into ASAP.gov. *This may take approximately 1-2 business days.*
- If approved, you will receive an email confirming your access. If denied, you will receive an email explaining why your request was denied and how to resubmit a new request.

An entitlement request has been submitted to enable privileged access

An email will be sent to a [REDACTED]1@a[REDACTED].com once your entitlement request has been processed.

How to Change your ID.me Password

1. Sign into your ID.me account using your current MFA method.
2. Navigate to "My Account" at the top right of your ID.me page.

3. Select "Sign In and Security."

4. Select "Password."

5. Enter your current password. Enter your new password (twice).
6. Select "Save."

For additional information on changing your ID.me password, please see ID.me's help page at:
<https://help.id.me/hc/en-us/articles/202087724-How-to-reset-your-ID-me-password>

How to Keep your ID.me Login Secure

Sign into ID.me using your current multi-factor (MFA) method.

MFA generates a one-time passcode that is sent to the personal device you Selected upon sign up.

Having an account with MFA creates an extra layer of security. With MFA, even if someone gains access to your User ID and Password, they will be unable to log into your account.

Set up a backup MFA method.

You reduce the chance of an account lock-out by enabling a second MFA method.

Ensure your antivirus software on your PC is up to date.

Choose a secure/strong password.

Do not share your password with anyone.

What to do if you believe you've fallen victim to fraud?

Reset your ID.me password.

If you have communicated with someone via mail, text, email, etc. that you feel is a scammer, stop interacting with them immediately.

If you believe someone has accessed your ID.me account, contact ID.me immediately at the following link: https://help.id.me/hc/en-us/p/contact_support

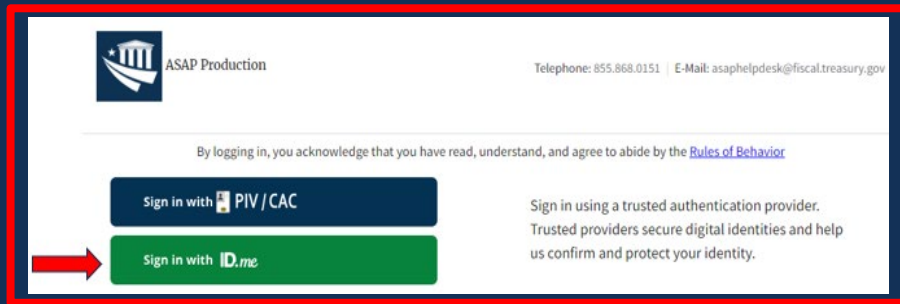

If you believe someone has accessed your ASAP account, contact ASAP.gov immediately at 816-414-2145 or ASAPHELPDESK@fiscal.treasury.gov.

****Only Financial Officials (FO) can make changes to your organization's banking data.****

To make those changes, such as deleting invalid banking data, making changes to existing banking data, etc., please follow the steps below:

1. Login to ASAP.gov via ID.me.
2. Navigate to "Enrollments" and select "Modify/Delete Banking Data" from the available drop-down.

4. The Banking Data page will then populate. *Proceed through the steps of modifying/deleting banking data.*

*****New functionality: The Certifying Officer (CO) at your funding federal agency will need to certify banking changes (new or modified banking) before your ASAP account is available for payments. **This does not affect existing banking that is already active prior to March.*****

Note: Financial institutions require the account owner's name in ASAP. **Ensure the account title matches the name listed on the recipient's bank statement to prevent any payment delays.** The FO may change an existing Account Title to match via the 'Modify/Delete Banking Data' menu.
